Amend Article 3 Title as follows:

**Article 3. Admission to School, Child Care Center, Day Nursery, Nursery School, Family Day Care Home, or Development Center.**  
**Article 2. Requirements for Admission and Continued Attendance.**

Amend Section 6025 as follows:

**§ 6025. Unconditional Admission.**

(a) A school or pre-kindergarten facility shall unconditionally admit or allow continued attendance to Any pupil age 18 months or older whose parent or guardian has provided documentation of any of the following for each immunization has received all the immunizations against poliomyelitis, diphtheria, tetanus, pertussis, measles (rubeola), rubella, Haemophilus, influenzae type B, mumps, hepatitis B and varicella (chickenpox) required for his or her the pupil's age or grade, as defined in Table A or B:1, Section 6020, or who has documented a permanent medical exemption or a personal beliefs exemption to immunization in accordance with Section 6051, shall be admitted unconditionally as a pupil to a given public or private elementary or secondary school, child care center, day nursery, nursery school, family day care home or development center.

(1) Receipt of immunization in accordance with sections 6065 and 6070 regardless of exemptions to other required vaccines.

(2) A permanent medical exemption in accordance with section 6051.

(3) A personal beliefs exemption in accordance with Health and Safety Code section 120335.

(b) Pupils admitted unconditionally at a younger age or earlier grade will be required to provide documentary proof of required immunizations at the time of any additional requirements at a later age or grade, as indicated in section 6025, Table B. However, for some pupils admitted unconditionally to a child care center, day nursery, nursery school, family day care home, or development center, an additional dose of DTP and/or polio vaccine will be required for admission to school at kindergarten level and above, as indicated in Table 1, Section 6020.

(c) Table A, "California Immunization Requirements for Pre-Kindergarten," and

Table B, “California Immunization Requirements for Grades K-12,” set forth, according to age or grade, the required immunizations and number of doses for admission to and attendance at a school or pre-kindergarten facility.

Amend Section 6035 as follows:

**§ 6035. Conditional Admission.**

(a) Any pupil seeking admission to ~~agiven public or private elementary or secondary school, child care center, day nursery, nursery school, family day care home or development center~~ school or pre-kindergarten facility who lacks documentation of having received all the required vaccine doses ~~against poliomyelitis, diphtheria, tetanus, pertussis, measles, rubella, Haemophilus influenza type B, mumps, hepatitis B and varicella (chickenpox)~~ for the pupil's age or grade as specified in Table 4, A or B, section 6020, 6025, and has not obtained an exemption ~~a permanent medical exemption or a personal beliefs exemption to immunization in accordance with sections 6051 and Health and Safety Code section 120335,~~ may be admitted conditionally if:

(1) ~~The pupil~~ he or she ~~has not received all the immunizations required for his or her age group but has commenced receiving doses of all the vaccines required for the pupil's age or grade in accordance with Table 2, C or D and is not currently due for any doses at the time of admission. (if he or she is due for any doses at this time they must be obtained before admission),~~ The governing authority shall notify and the pupil's parent or guardian is notified of the date(s) by which the pupil must complete all remaining doses the required immunizations in accordance with Table 2-C or D; or

(2) ~~he or she~~ The pupil ~~is under younger than age 18 months and has received all the immunizations required for his or her the pupil's age group but will require additional vaccine doses at an older age. and~~ The governing authority shall notify the pupil's parent or guardian is notified of the date by which the pupil must complete all the remaining doses when as they become due in accordance with Table A 4, Section 6020; or

(3) ~~he or~~ The pupil's parent or guardian has obtained a temporary medical exemption from some or all required immunization(s) in accordance with section 6050, ~~and the pupil's parent or guardian is notified~~ The governing authority shall notify the pupil's parent or guardian of the date by which the pupil parent or guardian must provide documentation of receipt of the immunization(s) included in the temporary medical exemption. complete all the required immunizations when the temporary exemption terminates; or

~~(4) he or she is entering a child care center governed by Education Code Section 8263(c), where a different deadline for obtaining all required immunizations may apply.~~

~~(b) The public or private elementary or secondary school, child care center, day nursery, nursery school, family day care home, or development center shall not allow the admission of any pupil seeking entry who does not meet the requirements for admission under Section 6025 or 6035. The principal or administrator shall advise the pupil, or the parent or guardian, to contact a physician or agency that provides immunizations. The governing authority shall review records of any pupil admitted conditionally to a school at least every 30 days from the date of admission, inform the parent or guardian of the remaining required vaccine doses until all required immunizations are received or an exemption is filed, and update the immunization information in the pupil's record.~~

~~(c) Continued attendance after conditional admission is contingent upon documentation of receipt of the remaining required immunizations in accordance with sections 6025, 6035, and 6065.~~

~~(d)(1) For a pupil transferring into a school in California from another school in the United States at kindergarten through 12th grade whose immunization record, as specified in section 6065 or 6070, has not been received by the new school at the time of admission, the governing authority of the school may admit the pupil for up to 30 school days. If the governing authority admits the pupil for up to 30 school days and the pupil's immunization record has not been received at the end of this period, the governing authority shall exclude the pupil from further attendance until the parent or guardian provides documentation of compliance with the immunization requirements specified in sections 6025, 6035 and 6040(a). Documentation of compliance from the parent or guardian must be provided as specified in sections 6050, 6051, and 6065, as applicable.~~

~~(2) Notwithstanding paragraph (1) of this subdivision, a pupil transferring into a school in California from another school in the United States on the first day of 7th grade who has not provided documentary proof of Tdap to the new school by the time of admission shall not be admitted by the governing authority.~~
