EXAMINATION INFORMATION

The examination will consist of a Qualifications Assessment and is the sole component of the Examiner I (Laboratory Field Services) examination. To obtain a position on the eligible list, a minimum score of 70% must be received. The Qualifications Assessment is designed to elicit specific information regarding each candidate’s education, training, and experience relative to the testing classification. Responses to the questionnaire will be assessed based on pre-determined rating criteria. The Qualifications Assessment package will be emailed to the applicant in the form of a survey. Please monitor your email account’s SPAM, Junk, Bulk, etc. Folder(s) as the examination email may be filtered depending on your specific account settings.

The participating department reserves the right to revise the examination plan to better meet the needs of the service if the circumstances under which this examination has changed. Such revision will be in accordance with civil service law and rules and all competitors will be notified.

REQUIREMENTS FOR ADMITTANCE TO THE EXAMINATION

It is your responsibility to make sure you meet the education and/or experience requirements stated on this announcement on the date you submit your application. Your signature on your application indicates that you have read, understood, and possess the basic qualifications required.
NOTE: Applications must include “to” and “from” dates (month/day/year), time base, job titles and/or civil service class title(s), and range (if applicable) for all work experience. College course Information must include title, number of semester or quarter units, name of institution, completion dates, and degree. Applications received without this information will be rejected. Applicants must submit a copy of unofficial/official transcripts along with the application when using education to meet the entrance requirements for this examination.

SCOPE OF EXAMINATION: Rankings will be determined based on the depth and breadth of professional education and experience beyond what is minimally required. Emphasis will be placed on measuring:

Knowledge of:
1. Technical areas of clinical or public health laboratory sciences, such as clinical chemistry, toxicology, bacteriology, immunology, mycology, hematology, parasitology, cytology or virology, including principles, techniques, equipment, and terminology used in the laboratory investigation of diseases.
2. The causes and methods of transmission and control of communicable diseases.
3. State and federal laws and regulations relating to clinical and public health laboratories, biologics production, and proficiency testing services.

Ability to:
1. Perform clinical laboratory tests, microbiological analyses, or other specialized technical procedures.
2. Conduct surveys and investigations of clinical and public health laboratories, blood banks, and other specialized facilities with accuracy, thoroughness, and tact.
3. Interpret and apply laws and regulations to specific cases.
4. Communicate and consult with laboratory personnel and administrators.

ELIGIBLE LIST INFORMATION
In order to obtain a position on the eligible list, a minimum rating of 70% must be attained. Names of successful competitors are merged into a departmental open list established for use by the California Department of Public Health in order of final scores regardless of testing date. Eligibility expires 24 months after it is established unless the needs of the service and conditions of the list warrant a change in this period. All candidates meeting the minimum qualifications will be placed on the eligible list.

VETERAN’S PREFERENCE
Will be awarded in this examination, pursuant to Government Code Section 18973.1, effective January 1, 2014, as follows: 1) Any veteran, widow or widower of a veteran, or spouse of a 100 percent disabled veteran, who achieves a passing score in an entrance examination, shall be ranked in the top rank of the resulting eligibility list. Any veteran who has been dishonorably discharged or released is not eligible for veterans’ preference; 2) An entrance examination is defined, under the law, as any open competitive examination; 3) Veterans’ Preference is not granted once a person achieves permanent civil service status.
